The public is once again reminded that Zambia Association of Arbitrators is an arbitral institution charged with the responsibility of administering arbitration and regulating its practice in Zambia. The Association is also charged with the responsibility of the provision of services for arbitration such as appointment of arbitrators, rendering advice on appropriate arbitration clauses, training of Arbitrators and dissemination of information on arbitration. In its regulatory functions, the Association applies the Arbitration (Code of Conduct and Standards) Regulations, Statutory Instrument No. 12 of 2007. The association insists on strict compliance by its members to the code of conduct and that the members have the requisite professional qualifications before admission to membership.

Should you require further clarifications on the Association's functions, please do not hesitate to contact the undersigned or the President of the Association Ms. Sharpe Ann Nicola – Phiri on 256426
